The Senate Stlyer Bill-Warren Defends Him

self Against Stewart's Charge that the Wyoming Senators Were Gold Bugs.

Washington, Feb. 20.-[Special telegram to THE HERALD . - The Washington Post to-day prints the following: Warren, of Wyoming, may be a new Senstor, but he knows how to stand up for his rights and does it successfully. A few days and Senator Stewart wrote a letter to the state of the large vote in its favor was greeted with loud opposition cheers. Glad-stone made a speech of considerable length, but I lake Tribung over his own name, in which he stated that he made an effort to optain Parablican votes for his amondstor, but he knows how to stand up for his country Republican votes for his amond ment restricting the free coinage of silver to the product of American mines, but was tunable to get a single additional vote on the that Emperor William is advised by his printing and distributing ballots and other for free coinage. The Wroming Senators, recovery the formula of the senators of the single sections for catalging and ingenuousness that reconciliation is impossible, except by convergence of the single sections in the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the single sections in the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the single sections for changing and reconciliation is impossible, except by convergence which could be obtained by the formula of the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the simplicity and ingenuousness that reconciliation is impossible, except by convergence which could be obtained by the formula of the formula ors, continued Senator Stewart, are out and out gold men. I could not induce them to agree to such a proposition while the bill

"Now when Senator Warren read that statement his six-foot form was agitated William McCubbin, of Leigh, cith righteons indignation. He knew that the statement was incorrect and he forthwith sought an explanation of the Nevada Senator. He almost determined to make a personal explanation on the floor of the Senate. He was dissuaded from this, however, by Senator Stewart's promise to write a letter relating to the statement,

in correcting my error.'

### Free Silver Defeated.

Washington, Feb. 20.—The House coin. in the state. are committee to day, by a vote of 8 to 4. ecided to report the Senate free coinage bill adversely, with a recommendation that it do not pass. The four members in the at do for pass. The four members in the ramority were: Carter, Bartine, Bland, Williaus. The two first named are Republicans and the last two are Democrats. The majority was: Wickham, Walker, Comsteck, Khapp, Taylor, Republicans, and Tracy, Wilcox, Vaux, Democrats, When the free columps mun found they were defeated on the Senate free columps bill Carter moved as a substitute. First of Carter moved as a substitute, first, a Only Carter, Bartine and Bland voted for the first and Carter and the committee's recommendation that

are monarchs, dynastics, standing armies, hereditary establishments and avocations affording infinite and formidable obstacles and barriers to disorder. But here every individual is alert and mobile and armed with the ballot, a terrible projectile if there are behind it impelling forces of hunger, poverty, anger and desperation. It is dif-ficult for the average well-to-do man to realize the envy which possess the western realize the envy which possess are western settler who watches a magnificently equipped and gorgeous team as it rolls by his mortgaged land. He is without the means to feed his family and he is crushed to earth by poverty. The railroad passes over his land and makes money from his fellow farmers. It is the ambles of prosperity and wealth. He ourth by poverty. The railroad passes over his land and makes money from his fellow farmers. It is the emblem of prosperity and weath. He realizes that he is a factor in the wealth of dropped, he did not believe in continually hounding.

Emery said he would some time forgive, but not this, as the Mormons never gave up their cause, and the section suited him.

Jones said he was an anti-Mormon Democrat, but was opposed to the section, as the present laws were all right.

Steuneberg said he was opposed to the bill, as it prevents those unable to read or write from voting. He said the Democratic party was pledged to support the Australian ballot bill, but not this kind. He said among his constituents were two blind persons and three or four other persons who openly advocate the repudiation of debt, public and private, fraternalism in government and a forcible redistribution of property, but the number is small yet, though increasing rather than decreasing, and of course there are knaves and rogues. Scapins Robert Macaires. Jeremy Diddlers and Robert Macaires, Jeremy Diddlers and Micawbers among them. Many of the schemes and projects are grotesque, sym-metrical gimerack, but in the main they are the serious efforts of sincere, honest and patriotic men, often without education or discipline, misled sometimes by sinister and incendiary appeals to solve the social and political problems of the problems of th

"The agricultural warehouse, sub-treasury scheme, and the lossing of irredeem able fiat money on real estate security, have few adherents thus far among the masses of the people, even among those who have been unfortunate and are in distress. Perceiving the accelerating tendency of political power to concentrate in a few hands and the enormous aggregation of wealth by individuals so that inequalities are greater in a democratic government than in a despotism, they are considering the questions in committee of the whole. They may report progress and ask leave to consider it again, or they may rise and order the previous question. If there is any filloustering the result cannot be foretold.

"The problem is as old as humanity, but funeral party at this point. "The problem is as old as humanity, but it has never arisen under the same conditions before, so there are no precedents. They had similar trouble in Sparts a good many centuries ago and Lycugus gathered up all the real estate and parcelled it out among the citizens. The patricans and plebians of Rome had the same difficulty and the plebians came out ahead. But there are no precedents in history, which is said to repeat itself, that apply here because this is the first time the experiment of popular self-government—the celled it out among the citizens. The pattricans and plebians of Rome had the same difficulty and the plebians came out ahead. But there are no precedents in history, which is said to repeat itself, that apply here because this is the first time the experiment of popular self-government—the soverignity of the people—has been tried. I am not a pessimist or ringer of an alarm bell at midnight, but there are many indications of the approach of structural if

THE EAST AND WEST not organic changes in our system. That they will be accomplished by fatal catastropes is unlikely. These are unnecessary, when the supreme court declared taxation need not be for raising revenue and the power to tax was under the constitution the power to destroy. They place in the hands of Lazarus a weapon, against which Dives has neither shield nor armor."

IS HE A CANDIDATE?

Grover Cleveland Interviewed on the Subject.

The Great Sleet Storm CHICAGO, Feb. 20.—The sleet storm of

last night was the most serious in its effect on telegraphic communication experienced for years. This morning nearly all the train dispatchers in railroad offices here were without communication with the outside, and trains ran as best they could without orders. Fortunately no accidents occurred. Great forces of line men are out and communication with all points is being gradually restored. The Western Union company suffered more than at any time since the great storm of 1883. Not only wires but many poles were down. The Postal company was in the same condition. The Signal Service predicts that the warm rain of to-day will be followed by colder weather to-morrow.

Heavy Snowstorm. CHICAGO, Feb. 20.-Reports from all over the northwest indicate the heaviest snow-storm of the season prevailed last night. Railway traffic was not interrupted much. Trains through Wisconsin, however, were delayed somewhat by sleet. Telegraphic communication with all points west and northwest is badly demoralized, but as a large force of line men are at work repair-

Indianapolis based on the bill. The pending proposition was, in plain terms, a subsidy to the extent of \$100,000,000 to build work lying entirely out of the public domain and traversing fa foreign country. It was his option, if the canal was to be constructed at all, that it should be constructed by the government directly, like any other work of public improvement.

Edmunds spoke in defense and advocacy

ing of her husband. Papers in the suit have been served on Secretary of gave the train the grandest reception it had received since it left New York. Over ten thousand people were at the station. As soon as the old soldiers on the platform heard General Schoffeld was Antonia, Dolores, Luz and Octavia a maria, was Antonia, Dolores, Luz and Octavia, a mar ried daughter, Terese, of Barru wife of Ramon Bengocnes, demand wife of Ramon Bengocnes, demand \$1,000,000 from the government for Barrandia's death as murder. They declare that in his message of December 1, 1890, President Harrison admits it was by order of Minister Mizner that Barrandia was apprrehended and that this lod to his being murdered by the agents of being murdered by the the Guatemalan government. message, the papers continue, it is uncon-ditionally affirmed that Minister Miznes overstopped his authority when he the order and acted contrary to all estab-

State of Siege in Buenos Ayres. DUENOS AYRES, Feb. 20 .- A state of sierra has been declared here. A force of artilin readiness for any emergency. The pub-lic is becoming much alarmed.

NEW YORK, Feb. 20 .- The senate committee resumed its investigation of the Sugar urer John E. Searis had disappeared to avoid being questioned. The deputy ser-geant at arms announced he was unable to erve subpoints on Searls, Theodore Have meyer Dekest and William and J. D. Dick The deputy said he was hampered by peo-ple in the office of the trust company, the employees doing all they could to prevent employees doing all they could to pr him from finding the persons wanted

TO AVOID LA GRIPPE-Bill Nye's special and particular recipe in THE SUN-DAY HERALD. Read it.

Misled by Similarity of Sound. Customer-Sixty-five dollars? That's an awful price for a plain business suit for a man that pays cash on delivery. Tailor-Cash on delivery? You inderstood me, sir. I said \$34.75.—Chicago Tribune.
